Honorable Mr. White:

SUBJECT: PROPOSED FISCAL YEAR 2014 BUDGET (EM-4) (BF-1)

This is in response to your request dated April 16, 2013, for information as to how our Department's FY 2014 Proposed Budget addresses the added responsibilities of the recent Charter amendment. The Charter amendment added to the Powers, Duties and Functions section to "Guide efforts to optimize opportunities for environmental, natural resource protection, sustainability, conservation and restoration."

As stated in our presentation to the committee on April 3, 2013, a position is proposed to be transferred from our Solid Waste Division's Landfill Diversion Section to the Director's office. Our initial intent is to have this person along with our Clerk to coordinate and develop the database of information relative to the new responsibilities. This new position would then serve as the primary contact for the Department to coordinate with other departments and agencies efforts to implement projects that fall within the new responsibilities. We anticipate also coordinating with the Mayor's staff in their efforts.

Should you have any questions, please call me at extension 8230.

Sincerely,
