*SUPPLEMENTAL PETITION*  
Submitted June 1, 2016

I hereby certify that the following is a true and correct tabulation of the result of my office’s examination of the supplemental petition submitted by the Community Farmland Council proposing an ordinance by initiative power, entitled “A BILL TO ESTABLISH A PROGRAM TO ACQUIRE AND LEASE AGRICULTURAL LANDS”, which was deemed filed on June 1, 2016.

Under the County of Maui Charter § 11-3(2), the petition must be signed by not less than 20 percent of the total number of voters who cast ballots in the last mayoral general election. 46,005 total votes were cast in the last mayoral general election. 20 percent of 46,005 equals 9,201, which represents the total number of signatures needed for sufficiency.

The initial submission of the initiative petition contained 5,008 valid signatures. The supplemental petition submitted contained 2,297 valid signatures. In total, our office received 7,305 valid signatures pertaining to the initiative petition, which does not fulfill the requirements set forth in § 11-3(2) of the Charter of the County of Maui.

Pursuant to § 11-5(2) of the Charter of the County of Maui, the following findings demonstrate the insufficiency of the supplemental petition in conjunction with the initiative petition:

There may have been more than one reason for a signature to be considered invalid.

This certificate will be mailed to Post Office Box 791455, Paia, HI 96779, which is the mailing address specified in the petitioners' committee affidavit.

IN WITNESS HEREOF, I have hereunto set my hand and caused the Seal of the County of Maui to be affixed on this 13<sup>th</sup> day of June, 2016.
