SUBJECT: **HEARING OF FEBRUARY 15, 2018; OFFERING COMMENTS ON HB
1999 HD 1, RELATING TO TRAINING**

Thank you for the opportunity to offer **comments** on this measure. The purpose of this bill is to require certain government decision-makers at both the state and county levels to complete a training course on native Hawaiian and Hawaiian rights.

The Maui County Council has not had the opportunity to take a formal position on this measure. Therefore, I am providing this testimony in my capacity as an individual member of the Maui County Council.

Training on Native Hawaiian history, law, and rights is crucial in assisting decision makers to create policies that respect, perpetuate, and reflect the culture of our islands.

I support the intent of this measure, but offer the following comments:

1. Understanding the effectiveness of the training course created by the Office of Hawaiian Affairs through Act 169, the Maui County Council passed Bill 119 (2016). The bill required the Maui, Molokai, and Lanai Planning Commissions along with the Hana Advisory Committee, to take part in this specific Native Hawaiian law training course. In deliberations over the bill, Councilmembers were informed that funding was available from the Office of Hawaiian Affairs to meet these training requirements.
2. In the fall of 2017, the Maui County Department of Planning attempted to organize the training for commissioners. They were notified that trainings were only available on weekends and at a central location. Training was not available for each island or during a commission meeting. Therefore, this would require travel by Molokai, Lanai, and Hana members to a central location. As funds were not available for such travel, the county requested to utilize the Council's video conferencing system. For Molokai, Lanai, and Hana to view the training being conducted in the Council Chamber, a live-stream must be broadcasted on Akaku, our public access television provider. Due to the nature of the training, the Office of Hawaiian Affairs did not want the training to be broadcasted.

3. Logistics are still being discussed to allow future Maui County trainings. However, appropriate funding is necessary to implement the trainings effectively. Please keep in mind that Maui County consists of Maui, Molokai, Lanai, and the rural district of Hana. Each of these unique areas have their own commissions and therefore, would be required to travel to a central location, or individual trainings would need to be organized in their respective communities. Appropriate funding is necessary, otherwise this will become another unfunded mandate.
4. When legislative bodies are subject to training, the sunshine law must also be considered. Hawaii Revised Statutes, 92-2.5 (e) states:
(e) Two or more members of a board, but less than the number of members which would constitute a quorum for the board, may attend an informational meeting or presentation on matters relating to official board business, including a meeting of another entity, legislative hearing, convention, seminar, or community meeting; provided that the meeting or presentation is not specifically and exclusively organized for or directed toward members of the board. The board members in attendance may participate in discussions, including discussions among themselves; provided that the discussions occur during and as part of the informational meeting or presentation; and provided further that no commitment relating to a vote on the matter is made or sought.
5. Any trainings that encompass issues that are or may become board business must be conducted in compliance with Chapter 92-2.5 (e) or posted on an official meeting notice. An alternative is to exempt this specific training from the sunshine law.

These comments are offered with the spirit and desire to make this training achievable statewide and not as a deterrent. The training created by the Office of Hawaiian Affairs is truly invaluable and should be expanded.

Mahalo.
