The Appliance Trade-Up Program* provides families with affordable, new ENERGY STAR® energy-saving upgrades when you turn in your old appliances for recycling. Let's save energy, save money, and keep our islands green.

The following ENERGY STAR® Whirlpool models are available:

\$450

21 ft³ FRIDGE
WRT541SZDW

\$250

18 ft³ FRIDGE
WRT148FZDW

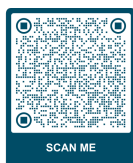

\$250

16 ft³ FREEZER
FWZF57R16FW

*Program offered on a first-come, first-served basis for qualified applicants while funds are available. Delivery dates of new appliances are subject to change based on the supply chain. Check for updates on the community website.
